LESSONS LEARNT IN 2023

1. Uniting in praying IS SO POWERFUL
2. Investing in people's lives is the optimum goal in our ministry, they need us
3. Balancing the teaching part and the soft light moments in God's presence make the best mix for growth
4. Doing fun activities with youth is joyful and essential in our ministry
5. Balancing being organized and spirit lead is VITAL for Godly outcome
6. Communication is very important element to avoid Satan's destructive arrows
7. Acknowledging that Satan won't settle until he gets among us is a key
8. Feedback is important for all of us to grow and develop
9. Living for the audience of ONE
10. Selfless servants bring glory to God
11. Being generous in all what we do
12. Prioritizing my time with God over serving God
13. To respond to each other initiatives
14. Don't easily say no
15. Rotate roles and explore potentials in each others
16. People look up to us, leading by example
17. To Man up regardless how I feel
